

## **Tennessee Underground Storage Tank Rules**

The Tennessee Underground Storage Tank Regulations may be viewed on the Tennessee Secretary of State's website. This page contains an internet link to the where you may view and download the latest version of these regulations. The Tennessee regulations are Chapter 1200-1-15-.01 et seq. and since they are updated occasionally, visitors are encouraged to visit these pages often for the latest published version.

The Link is <http://www.state.tn.us/sos/rules/1200/1200-01/1200-01-15.pdf>

Click the link (in blue underlined text) and you should be taken to the document on the Tennessee Secretary of State's website. If that doesn't work, copy and paste the link in your internet browser window.

The document will open in an internet browser window and you may save or print this document.
